

PLEASANT HILL WOLVES WEEKLY UPDATE

WEEK OF DECEMBER 9 - DECEMBER 13

Dear Families,

The Elementary Christmas Concert is a time for the school and the community to come together to celebrate the season with music. This past Thursday's concert was a joy to watch, but the continuous interruptions by audience members talking, walking around, and leaving were a distraction to all who wished to watch the entire concert.

Our Junior High and High School Chorus and Band Concert is coming up on December 17th, and in an attempt to help family and friends enjoy the concert, as well as making it easier for students to do their best on stage, we ask the following of our families who will attend the upcoming concert:

- PLEASE find a seat before the concert begins. In the event there are no seats available, find a place to stand along the wall.
- Silence all cell phones, watches, and any other electronic devices.
- Remain quiet and seated during the performance. Talking and/or excessive movement during the performance is disrespectful to the performers as well as distracting to others in the audience.
- Enthusiastic applause at the end of a complete musical selection is encouraged and appreciated; whistling and shouting are not.
- Please do not clap along with the music unless invited to do so by the conductor.
- It is expected that performers and audience members will remain until the end of the performance. If you must leave, please do so only at the end of a musical selection.

Sincerely,

Kylee Orr
